

Summer Camp Registration Instructions & FAQs

Thank you for your interest in West Lafayette Parks & Recreation Summer Camp programs! Below you will find some instructions that will hopefully be of help as you go through the registration process. Please email <u>wellness@westlafayette.in.gov</u> with any questions.

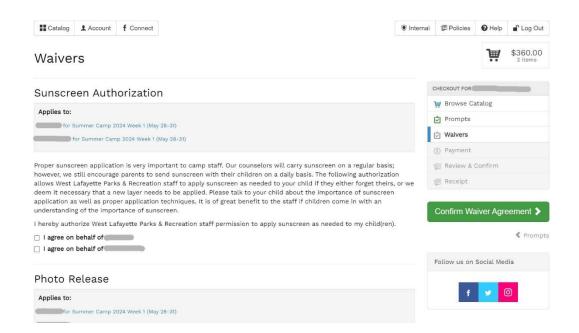

- Visit the West Lafayette Parks & Recreation CivicRec catalog using the link below: https://secure.rec1.com/IN/west-lafayette-in-parks-and-recreation/catalog
- 2. Login and view your account to ensure that all children attending camp are on your account. Please also ensure that you have a card on file on your account.
- 3. Visit the purple Camps & Childcare tab to view all sessions of camp. Drop down on the weeks of camp that you wish to register for. Select each child that you would like to register and click "add to cart". When all the weeks that you would like are added to the cart, click checkout.

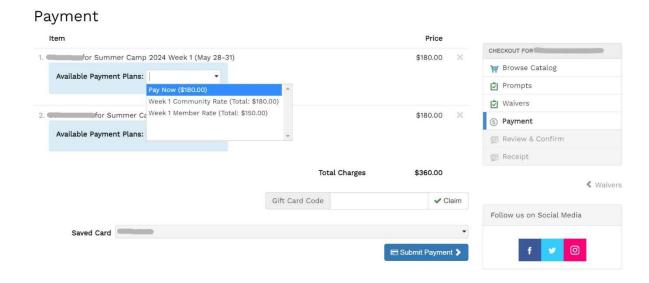

4. Complete the prompts on the following page with any notes, allergies, and medical conditions. You will also be asked to provide a list of people authorized to pickup your child.

5. Next, you will review and sign waivers. You are required to sign all waivers to move on in the registration process. If you wish to opt out of the sunscreen or photo release, please email us at wellness@westlafayette.in.gov.

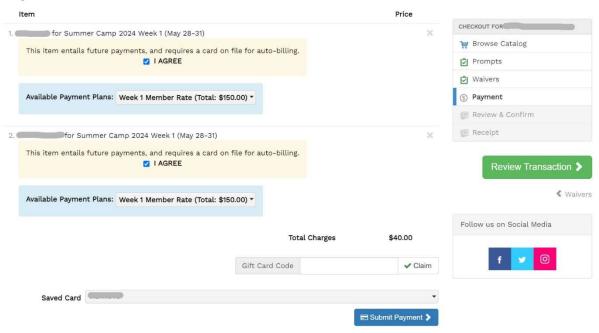

6. After waivers, you will go to the payment screen. For each week, you will need to drop down and select the appropriate payment plan. If you currently hold a Wellness Center membership that includes the children that you are registering for camp, you will select member. If you are not currently a member and do not hold a Camp Kids Pass, you will select the community rate. If you are enrolling 3 or more kids and qualify for that discount, please email westlafayette.in.gov after submitting your registration so that we can adjust the pricing for you.

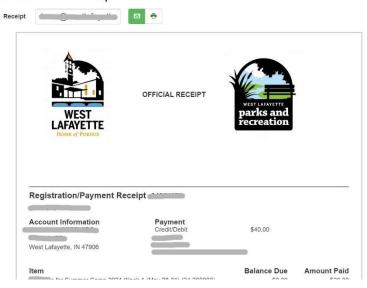

7. After selecting payment plan for each week, you should only be left with the non-refundable deposit of \$20/week per child. The deposit will be applied as a partial payment towards each week.

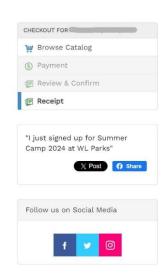

Payment

8. To pay the deposit, you will add your card on file or press submit payment with your current card on file. Please keep in mind that you are required to keep a card on file for auto billing purposes. At the end, you should get a transaction receipt confirming the reservation for your spots.
