

ORDINANCE NO. 03-22

AN ORDINANCE OF THE CITY OF WEST LAFAYETTE, INDIANA
AMENDING THE WEST LAFAYETTE CITY CODE RELATING TO THE
RATES AND CHARGES OF THE SEWAGE WORKS OF THE CITY

WHEREAS, the City of West Lafayette, Indiana (the "City") has established, acquired, and financed its sewage works pursuant to Indiana Code 36-9-23, as amended (the "Act"), for the purpose of providing for the collection, treatment and disposal of sewage from inhabitants in and around the City; and

WHEREAS, O.W. Krohn & Associates, LLP, municipal advisor to the City, has prepared a rate report concerning the current rates and charges of the sewage works (the "Report"); and

WHEREAS, based upon the Report, the Common Council of the City (the "Council") finds that the current rates and charges for the use of and service rendered by the sewage works do not produce sufficient revenues to pay all the legal and necessary expenses incident to the operation of such sewage works, including legal expenses, maintenance costs, operating charges, repairs, lease rentals and interest charges on bonds or other obligations of the sewage works, to provide a sinking fund for the liquidation of indebtedness, and to provide adequate funds to be used as working capital and funds for making extensions and replacements and to make payments in lieu of taxes; and

WHEREAS, based upon the Report, the Council finds that the current rates and charges of the sewage works as set forth in the West Lafayette City Code (the "City Code") do not produce an income sufficient to maintain the sewage works property in a sound physical and financial condition to render adequate and efficient service; and

WHEREAS, the Council finds that the current rates and charges for the use of and service rendered by the sewage works must be increased in order to provide sufficient revenue to meet such requirements; and

WHEREAS, the Council finds that the rates and charges of the sewage works should be increased in phases as herein provided; and

WHEREAS, the Council finds that the rates and charges set forth herein are based upon the cost of providing service to the customers of the sewage works and will enable the City to meet its legal revenue requirements for the sewage works; and

WHEREAS, the Council has caused notice of a public hearing on the rates and charges set forth herein to be duly advertised and mailed, and has held a public hearing thereon, all pursuant to the Act;

NOW THEREFORE, be it ordained by the Common Council of the City of West Lafayette, Indiana that:
